

| Site Supervisor Assessment of Student as Reported to Faculty by On-Site Supervisor                                                                             |     |    |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|----|
| 1. At the conclusion of this internship, will this student be ready to enter this part of the industry or field?                                               | Yes | No |
| 2. If you had a position available at the end of the internship, would you consider hiring this intern?                                                        | Yes | No |
| 3. Please give reasons for your answer.                                                                                                                        |     |    |
| 4. Student needed additional training prior to internship?                                                                                                     | Yes | No |
| 5. Please give reasons for your answer.                                                                                                                        |     |    |
| 6. If the answer to the previous question is "yes," how could the student have been better prepared for the internship, or what additional training is needed? |     |    |
| 7. Does the supervisor give adequate training time to the intern?                                                                                              | Yes | No |
| 8. Does the student feel adequately prepared for the internship by SUNY Oneonta Music Industry Program??                                                       | Yes | No |
| 9. What additional instruction/training/experience in college would have helped prepare the student for this internship?                                       |     |    |
| 10. What classes or experiences at college were helpful in student preparation for internship?                                                                 |     |    |
| Signed: _____ Date: _____                                                                                                                                      |     |    |
