

A group of students in a laboratory setting, looking at a large, shallow tank containing a yellowish liquid. A man with a beard and glasses, wearing a red and black plaid shirt, is leaning over the tank. A woman with long blonde hair is smiling and looking at the tank. Other students are visible in the background.

- **The number of faculty fellows in the Center for Online Teaching Excellence has grown to 750**
- **Open SUNY's Institutional Readiness Program earned the 2014 Effective Practice Award from The Online Learning Consortium (formerly The Sloan Consortium)**

A woman with long dark hair, wearing a striped shirt, is pointing her right hand towards a piece of student artwork. She is holding a clipboard in her left hand. The background shows a classroom setting with various student projects and posters on the wall. One poster has the word 'selfie' written on it, and another has the word 'ANIMAL' visible. There are also colorful drawings and papers hanging on the wall.

Initial Thoughts...

A woman with curly brown hair and blue safety glasses is holding a test tube with a yellow liquid. She is looking at the test tube. In the background, a man with short brown hair and blue safety glasses is looking at the woman. They are in a laboratory setting with various equipment and a framed picture on the wall.

We are committing to excellence in everything we do – teaching, service, research

To Learn, to Search, to Serve is relevant

Teamwork is critically important

If we put students first, next steps become clear

The many roles of System Administration – a sense of opportunity

**We are faculty, and
our efforts impact
people for their
entire lives**

Initial Thoughts

Ensuring SUNY's many voices are heard

Value of consultative processes

Vast expertise and experience on our campuses

Working together yields strong results

Shared commitment to our students
